

# International Dialing Rates

International dialing rates apply to calls you place to any country listed below. To see rates and features while visiting other countries, see our International Roaming page.

**NANP** (North American Numbering Plan): if present, dial NANP number + seven-digit phone number

**CC** (country code): for non-NANP countries, dial 011 + country code + phone number

**Destination:** indicates a landline (L) or mobile (M) number

**Retail:** per-minute charge for any non-VIP-enabled plan

**VIP:** per-minute charge for international calls placed from within the Viaero network while subscribed to any wireless plan with international dialing enabled

**Type:** Indicates NANP (type 1) or non-NANP (type 0)
